

Safeguarding Policy

Policy Statement:

Mollington, Backford & District Village Hall (The Village Hall) recognises that it has a statutory and moral duty to ensure that it safeguards and promotes the welfare of young people during their time spent at the Village Hall. The term “children” means “those under the age of 18”. The Village Hall recognises that some adults are also vulnerable to abuse. Accordingly, the procedures may be applied (with appropriate adaptations) to allegations of abuse and the protection of vulnerable adults.

Definitions:

Child: A young person under the age of 18.

Vulnerable Adult: A person aged 18 years or over who is or may be in need of community care services by reason of mental or another disability, age or illness and who is or may be unable to take care of him or herself, or unable to protect him or herself against significant harm or exploitation.’

Disclosure: A person states they have been or are being abused by another.

Allegation: A member of staff or volunteer working with children or vulnerable adults is accused of committing an abuse

Abuse: A violation of an individual’s human and civil rights by any other person. May consist of a single act or repeated acts. It may be physical, verbal or psychological, it may be an act of neglect or an omission to act, or it may occur when a vulnerable person is persuaded to enter into financial or sexual transactions to which he or she has not consented or cannot consent. Abuse can occur in any relationship and may result in significant harm to, or exploitation of the person subject to it.

The Village Hall works to: Safeguard the welfare of the young people and vulnerable adults we work with by protecting them from physical, sexual and emotional harm.

Support the creation of an environment where young people and vulnerable adults are listened to and are encouraged to talk about themselves, their lives, and any concerns they may have.

The Village Hall will seek to safeguard children and young people by:

Valuing them, listening to and respecting them.

Recruiting staff and volunteers safely, ensuring all necessary checks are made and training received.

Sharing information about child protection and good practice with children, parents, staff and volunteers.

Sharing information about concerns with agencies who need to know and involving parents and children appropriately.

Providing effective management for staff and volunteers through supervision, support and open communication.

The Village Hall recognises that children, young people and vulnerable adults may suffer abuse in different ways:

Sexually: The exploitation of authority or power to involve a child in sexual gratification.

Emotionally: Emotional ill-treatment or rejection affecting emotional or behavioural development.

Neglect: Failure to provide a child with basic needs including access to adequate food, health care or education.

Staff and volunteers will be on guard to spot the signs and symptoms of abuse that can include:

Physical signs such as changes in appearance, injuries and marks, and

The Village Hall will respond to suspicions or allegations of abuse by:
